Coal in Pennsylvania.

Mr. Andrew Roy estimates the available coal of the Allegheny coal field at 734,424,000,000 tons. The same writer states the aggregate thickness of workor 70 feet of workable coal to 2,000 feet coal in 1,200 to 1,400 feet of rock. The number of workable seams and consequent thickness of coal in every division of the coal area are in proportion to the Grape Vinegar, or Verjuice .- Take thickness of the carboniferous rocks.

NUT-CRACKING.

When I could crack a nut With the melars in my jaws,

With teeth all white and steadfast And innocent of flaws,

I laughed at angry fortune, wade light of coming sorrow,

Was happy all to-day, And careless of to-morrow. I trusted men and women,

And women most, maybe!-

Oh, pleasant was that spring time To my teeth and me! But now, when teeth are shaky,

And going one by one, I find, like Israel's monarch,

Small good beneath the sun. I can not crack a nut.

I can not find a truth, Or man, or lovely woman, Like those I found in youth.

Put back, O cruel Fortune,

Thy sword into its sheath, Let me believe in something. And contradict my teeth!

-Belgravia. A Remedy that Defies Competition. Hostetter's Stomach Bitters defy competition. Of the host of rival tonics that have

cropped up during its long career, not one has gained and retained such a large share of public favor, though many have enjoyed an ephemeral popularity. The reason is this, startling nature, they have when tested, almost invariably turned out to be of little or no value, while the great invigorant, whose reputation they were intended to rival, has never disappointed those who have placed their confidence in it. It has vindicated in ered a positive specific remedy for liver complaint, dyspepsia, malarious fevers, debility, constipation, and numerous other maladies arising from general weakness and disorders of the stomach, liver and bowels.

Invalid Wives.

The alarming decline in the health of American women which has marked the last decade and which threatens to sap the very foundations of our future well-being as a people, is at last attracting the attention it deserves. The Lakeside Library.

\$1.50 Book for only 10 CENTS! You will better understand the character of the en-terprise by sending for a sample copy. We have now ready 60 different volumes by prominent authors, a

few specimens being given below No. 48. THE FLYING DUTCHMAN. A
Tale of the Sea. A fresh, breezy story, with
the odor of tar and sait water clinging to its pages.
A harsh, cruei captain goads his crew to mutiny, losing his life and vessel. The reckless sailors disguise
the ship as the dreaded "Flying Dutchman," and lead
a bold but successful life as free-booters on the high
seas. Illustrated. Price to cents By mail 12 cts.

No. 49. MISS MOLLY, by Beatrice M. Butt. The heroine, a flirt of the most natural type, sur-renders to a broad-shouldered, good-natured captain in the army, who is neither very good nor very bad. In a sudden fit of anger he knocks down a brother officer, and the blow kills him. He renounces all claim to Miss Molly, and she gives him back the ring, but faithfully waits till his term expires, hunts him up and insists upon marrying him. Illustrated, Price 10 cents. By mail 12 cents.

No. 50. AN ODD COUPLE, By Mrs. Oli-phant. The last new work of this popular writer which has just appeared in Europe. Though called an "Odd-Couple," we cannot but wonder if there are not many of their kind in this wide, queer world. At any rate their history is exceedingly en-tertaining reading, as every one knows when Mrs. Oliphant's facile pen limit their life. Price 10 cents. By mail 12 cents.

No. 51. A TALE Or A WO CITIES, By Chas. Dickens. This segmentally acknowledged to be, perhaps, the most stirring and intensely interesting of Dickens' works. The scene is laid in Paris during the time of the wild and bloody French Revolution, when all semblance of law and order gave place to anarchy and confusion. Illustrated. Price incents. By mail 12 cents.

No. 52. MISS HITCHCOCK'S WEDDING DRESS. By the author of "Mrs. Jerningham's Journal." "We have read nothing by the author of "Mrs. Jerningham's Journal—though we have read all her various lively stories—which seems to us so good as this."—London Spectator. Illustrated. Price 10 cents. By mail 12 cents.

tor. Hinstrated. Price 10 cents. By mail 12 cents.

No. 53. RABAND HIS FRIENDS, by Dr.
John Brown, AND OTHER STORIES.
In this number are grouped many of the choicest
tid-bits of literature, in prose and poetry, among
which may be mentioned "The Ancient Mariner,"
by Coleridge: "The Red Fisherman," by Fraed;
"A Highland Snow Storm," by John Wilson; "The
Dream of Engene Aram," by Thomas Hood; "The
Wife of Miletus," and "The Fate of Calchas," by
Sir E. L. Buiwer; Gray's "Elegy," "Auld Robin
Gray," by Lady Anne Barnard; "The Blot on the
Queen's Head," by the author of Ginx's Baby;
"Had She But Known," and others, Illus, Price 10
cents, By mail 12 cents.
